APPLICATION FOR AREA VARIANCE

BOARD OF ZONING APPEALS

On a particular property extraordinary circumstances may exist making a strict enforcement of the applicable development standards of the Zoning Ordinance unreasonable and, therefore, the procedure for variance from development standards is provided to allow the flexibility necessary to adapt to changed or unusual conditions, both foreseen and unforeseen, under circumstances which do not ordinarily involve a change of the primary use of the land or structure permitted. Variances shall not be granted on the grounds of neither convenience nor reduced or greater profit, and evidence of variances granted under similar conditions elsewhere is irrelevant.
